Dear Senator/Representative \_\_\_\_\_,

As your constituent, I write to ask that you continue to support comprehensive immigration reform (CIR) and work to fix our nation's broken immigration system.

In the coming weeks and months, please oppose immigration enforcement only proposals that may be introduced, such as the mandatory expansion of the E-Verify program, unless it is part of a broader legalization or CIR package. I also request that you do not support bills that will reduce the number of visas available for legal immigrants or for the Diversity Visa Program.

Thank you for your service in Washington, DC on my behalf.

Dear President Obama,

I write to ask that you continue to support comprehensive immigration reform and work to fix our nation's broken immigration system.

As my President, please use your executive authority to protect vulnerable populations such as DREAM Act-eligible students and parents of U.S. citizen children. Finally, I request that you oppose any immigration enforcement measures, such as an expansion of the E-Verify program, unless they are contained in a comprehensive immigration reform package.

Thank you for your dedicated work on behalf of immigrants.
