

# ALL THEY WANT TO DO IS LIVE

## THE AMERICAN DREAM

*Thousands of hard working young people who were brought to the United States as infants or children can now be locked up in federal detention centers and deported to a country they've never known.*

**The DREAM Act** could stop the injustice by giving students who have grown up and graduated high school in the United States the opportunity to earn legal status through higher education or military service. As Catholics, we support the DREAM Act because we believe in protecting the dignity of every human being, especially that of our children.
